

POINTERS ON THE RACES.

Only Two Well Filled Events at Linden Park To-Day.

The Opening Race Should Furnish a Good Contest.

The track at Linden to-day will have resumed its normal condition and be in shape for fast racing. The entries are not heavy in four of the events, nevertheless the sport promises to be exciting.

The opening event has fifteen starters, and it should furnish a cracking good race between Madison, Volunteer II, Uncle Jess, Minnehaha, Little Fred and Rico. The second event is for maiden Loantaka, Soundmoon, Candelabra, Correction and Major Day together at a mile.

Harry Alonso and Tom Skidmore will make the fourth race interesting, and Sleipner, Rico and Correction should finish close together. The entries are as follows:
